

# LA PYRAMIDE DU GROOVE

XAVIER ROGÉ

The image displays a guitar groove progression in 4/4 time, consisting of 8 measures. The progression is organized into four pairs of two measures each, with each pair increasing in complexity. The notation includes a treble clef, a 4/4 time signature, and a double bar line at the beginning of each measure. The notes are represented by 'x' for fretted notes and 'o' for open strings. The progression is as follows:

- Measure 1:** Treble clef, 4/4 time. Notes: D4 (fretted), G4 (open), D4 (fretted), G4 (open). Chords: D, G.
- Measure 2:** Treble clef, 4/4 time. Notes: D4 (fretted), G4 (open), D4 (fretted), G4 (open). Chords: D, G.
- Measure 3:** Treble clef, 4/4 time. Notes: D4 (fretted), G4 (open), D4 (fretted), G4 (open). Chords: D, G.
- Measure 4:** Treble clef, 4/4 time. Notes: D4 (fretted), G4 (open), D4 (fretted), G4 (open). Chords: D, G.
- Measure 5:** Treble clef, 4/4 time. Notes: D4 (fretted), G4 (open), D4 (fretted), G4 (open). Chords: D, G.
- Measure 6:** Treble clef, 4/4 time. Notes: D4 (fretted), G4 (open), D4 (fretted), G4 (open). Chords: D, G.
- Measure 7:** Treble clef, 4/4 time. Notes: D4 (fretted), G4 (open), D4 (fretted), G4 (open). Chords: D, G.
- Measure 8:** Treble clef, 4/4 time. Notes: D4 (fretted), G4 (open), D4 (fretted), G4 (open). Chords: D, G.

The progression is characterized by a steady, rhythmic pattern of eighth notes, with the complexity increasing from simple chords to a 7-note triplet in the final measure.
